Outcomes

Participants will:

- Develop a clear understanding of the resources presently in schools to address attendance issues
- Discuss whether current interventions are having a positive impact
- Discuss strategies to address longstanding attendance issues

Dashboard Review:

<https://drive.google.com/open?id=1PtCoIDtPmec8wZUJwhTfZn4s9gajbt6r>

- ❖ Identify any changes to be made to the dashboard
- ❖ Do we have enough information to know if we are on track to achieve the stated goals?
- ❖ Is this body of work going to improve attendance this year?

Attendance Resources Spreadsheet:

- ❖ Does the spreadsheet accurately capture the resources that are currently being implemented at schools to address attendance issues?
- ❖ Does this information suggest any changes that need to be made to our approach?

Attendance Spotlight-DCPS

The next taskforce meeting occurs in January 2020.

Thoughts to ponder:

- ❖ **How can the taskforce use the information discussed today to develop interventions that can have a positive impact on chronic absenteeism and truancy?**
- ❖ **Is there anything your agency/organization can do make its interventions more successful?**
